HIV/AIDS RESOURCE DIRECTORY

January 2005

	Page
Arizona Border Region	1
California Border Region	6
New Mexico Border Region	13
Texas Border Region	17

ABOUT THIS DIRECTORY

The U.S.-Mexico Border AETC Steering Team (UMBAST) has compiled this directory to better connect HIV/AIDS resources with the needs of communities along the U.S.-Mexico border (100 km or 61 miles north of the border with Mexico). It provides local, regional, and national information on HIV/AIDS training resources for a range of providers, including physicians, nurses, mental health clinicians, and pharmacists, as well as HIV/AIDS-related services for both providers and consumers.

Support for UMBAST and for this directory comes from the Health Resources and Services Administration (HRSA) HIV/AIDS Bureau, Division of Training and Technical Assistance.

BORDER RESOURCES BY STATE

The resource listings for each state include HIV/AIDS training, treatment, and prevention/other types of agencies and services.

Training Resources

These include local and statewide HIV/AIDS training resources for clinicians, including physicians, nurses, dentists, pharmacists, promotores and peer managers, case managers, pretest and posttest counselors, outreach workers, mental health providers, substance abuse professionals, and law enforcement/corrections/INS officers.

Treatment

Local and regional listings of Ryan White CARE Act (RWCA)-funded and other primary HIV/AIDS medical and dental providers, outpatient case management services, participating ADAP pharmacies, and other treatment-related services.

Prevention/Other

These agencies include nonmedical HIV services such as prevention services, counseling and mental health, substance abuse treatment programs, and a broad array of other HIV-related programs.

MORE INFORMATION

For in-depth information about HIV/AIDS in the U.S.-Mexico border region, the AIDS Education and Training Centers (AETCs), and other HRSA border programs, see the UMBAST Web site: <http://www.AETCBorderHealth.org>.

Arizona Border Region

The Arizona border region comprises Pima, Yuma, Cochise, and Santa Cruz counties. For more information, see the UMBAST Web site: <http://www.AETCBorderHealth.org>.
